INTRAMURAL BASKETBALL

INTRAMURAL BASKETBALL

William Raines Battle, Jr., graduated from Birmingham Southern College in 1930. While at 'Southern he was a member of Kappa Alpha fraternity, Omicron Delta Kappa, Kappa Phi Kappa, and was a three letter man. Coach Battle received his master's degree from Peabody College in 1935, and returned to BSC in 1940 as Director of the newly developed intramural program. Coach Battle stayed at 'Southern until 1949, and then returned in 1952, where he remained until his death in December 1974.

Coach Battle was regarded by the college community as an excellent coach, a dedicated teacher, and a remarkable man. Few people have contributed as much to the college and its high standards and ideals as has Coach Battle.

AS YOU LIKE IT

"All the world's a stage,
And all the men and women merely players.
They have their exits and their entrances,
And one man in his time plays many parts . . ."
William Shakespeare

"Blow, blow, thou winter wind,
 Thou art not so unkind
 As man's ingratitude.
 Thy tooth is not so keen,
 Because thou art not seen,
 Although thy breath be rude.
 Heigh-ho, sing heigh-ho, unto the green holly!
 Most friendship is feigning, most loving mere
 folly:
 Then, heigh-ho, the holly!
 This life is most jolly.
 William Shakespeare

BRINKLEY:

"The way to be popular with the audience is to put on what they want to hear and to put it on in a way that they like. The trouble with that is that you please one side and antagonize the other. I'm well aware of it. I deal with it every day, every time I write a line, write a sentence, I can say with almost perfect precision what the complaining mail will say four days later."

A NATIONAL POLL

"For the first time since Athens a government would know precisely what its people wanted. You know, in Athens they used to go to the town square and vote by raising their hands. It would help give people the feeling of having some say, of being asked instead of always being told. Congress would still have its constitutional powers, of course. It would still vote to pass or not pass laws. But for the first time in their lives, they would know precisely what the people in this district and in every district wanted and didn't want."

Q: "What is your opinion generally of President Ford?"

"Well, he's no Thomas Jefferson. I think he's straight. I think he's honest. And it used to be that we took those qualities for granted on the part of the President. But to be straight and honest nowadays—that's something!"

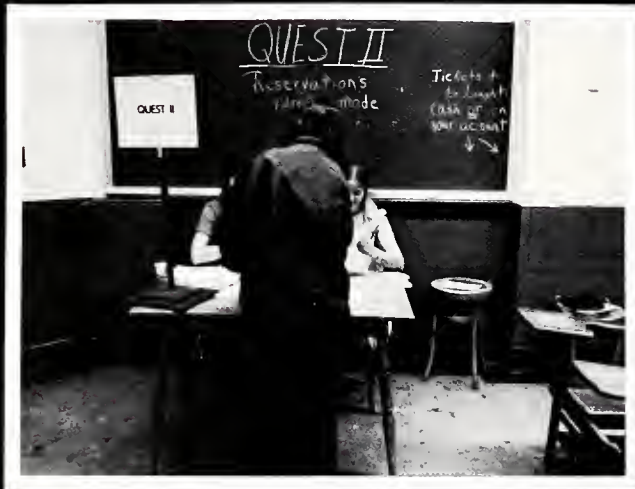

"Now I have to think up something. Which is hard work. Everytime I think of something good, then I remember I've already done it."

STUDENT GOVERNMENT ASSOCIATION

"The Student Government Association exists as the official representative organization of the student body. Composed of students elected from different segments of the campus, the SGA performs a role on the campus which has become more expanded in the past two years. It not only employs its lobbying power and its budgeting means to meet the needs of the students, but also has undertaken to contribute financially to the future life of the college."

"Student Government is directly engaged in almost all areas of student life including entertainment, publications, social rules, food service, politics, and recruitment. In these functions its members attempt to promote the organization as a dynamic force for students on the campus."

CIRCLE K

Blood drive

Circle K is a service organization sponsored by the Downtown Kiwanis International. Membership is open to any Birmingham-Southern student who is interested in service to the campus and the community. The club's projects include sponsoring campus blood drives, working with a slow-learners class at Gibson School, and participating in the American Red Cross Home-a-Month program.

Officers are: Phil White, President; Frank Wilson, Vice-president; Rick Turpen, Secretary; Al Smyly, Treasurer; and Terry McElheny, Project Chairman. The Circle K faculty advisors are J. Mitchell Prude and Andy Wilson. Mr. Robert E. Palmer is the Kiwanis advisor.

TRIANGLE CLUB

The Triangle Club is an honorary service organization composed of thirty sophomore men and women. The members are elected at the end of their freshman year by the out-going Triangle Club members. Criteria used as the basis for selection include outstanding scholarship, leadership, and service to the college community as exhibited during the freshman year. Among the various duties of the Triangle Club are such activities as helping with freshman orientation and registration, and assisting with the high school visitation days.

Officers: Tom Porch, President
Laurie Howell, Secretary
Steve Davis, Treasurer

BLACK STUDENT UNION

The Black Student Union was founded during the fall term of 1972 in order to create a more secure bond between the black students enrolled at Birmingham-Southern College. The Black Student Union was also designed to put more black students into the flow of campus and community activities. In total, the purpose of the Black Student Union is not only to make the college more aware of the black student's capacity to function for the benefit of the college, but to make the student himself aware of this capacity.

Since the fall term of 1972 the BSU has twice given its annual Tribute To Black Heritage Scholarship, which is based on need, academic achievement, and extra-curricular interests. A benefit is sponsored by the BSU each April to secure funds for this scholarship which is given to an incoming black freshman the following fall and spring terms in the hopes of encouraging academic and social excellence.

Since its formation, the Black Student Union has succeeded in obtaining a special position for a minority representative in the Student Government Association of BSC. This representative mediates, informs, and negotiates between the two organizations to assure maximum cooperation and a wider span of communication between all the students of Birmingham-Southern College.

In the fall of 1974 the BSU, in collaboration with Kappa Alpha Psi Fraternity, sponsored a campus-wide talent presentation that reflected a successful and well spent effort at campus and community communication.

Membership in the BSU is automatic and accompanies enrollment into the college.

THE SECOND ANNUAL B-S.C. TRIVIA BOWL

The Trivia Bowl, under the direction of Bob Glenn and sponsored by the Student Government Association, was held November 17-21, 1974. Teams with four members competed against one another in elimination rounds. On the fifth evening the final match was held at the College Theatre. The winning team, "The Runners-Up", was composed of Celia Reed, Skip Urling, Shari Cobb, and Clinton Anderson.

A look at Birmingham-Southern in the 1950's will illustrate the tremendous changes that the campus has experienced in the past twenty-five years. It has been a period of growth and change. New buildings have replaced the old, campus traditions have faded away, and the administration and faculty have undergone continuous changes. The following pages picture

FRESHMAN ORIENTATION

"All freshmen entering 'Southern for the fall quarter were taken to Camp Winnataska for orientation and a get-acquainted with fellow students and faculty period. Everyone enjoyed themselves, in addition to carrying out the main purpose of the camp—easing the transition from high school to college."

BEAUTIES

Campus organizations were invited to nominate a woman student to compete for the title of Miss Southern Accent. The judges announced the winner of the contest at the yearly pageant. The beauties and favorites were announced at this time also. Miss Southern Accent served as the official hostess for Birmingham-Southern College during the school year.

CAT'S PAW

"Each year for one day there is amnesty for professors and students alike. The stage of Munger groans aloud as the professors take off on the students and the students take off on the professors. But it is a night to be remembered for the many fine skits and acts that are presented."

"Pray for the Moon" was presented at 'Southern in 1951 as a pre-Broadway try out. The play, which was written and directed by Mr. Stuart Mims, included Arnold Powell and Howard Creed in its cast.

SADIE HAWKINS DAY

"One day a year Birmingham-Southern students turn our campus into one of America's most famous towns—Dogpatch. The afternoon's schedule included two football games; a parade of floats; a greased pig race, and was climaxed by the Sadie Hawkins Day race. Dogpatchers then retired to the gym to eat, dance, and enjoy the entertainment."

MR. HILLTOPPER

"One of the outstanding activities with service as its theme is the Mr. Hilltopper contest. Each year the contest picks the man most typical of the Hilltop. The sponsoring sorority is Alpha Omicron Pi, and the proceeds from the show go to their philanthropic project."

STARLIGHT OPERA

"During the month of July, Munger Bowl was the setting for two Starlight Operas, Romberg's "The Desert Song" and "Chocolate Soldier" by Strauss. The cast was made up of professional stars, and included non-professionals from all over the state."

BSC AT NIGHT

Editor: Allen Sumner

Everywhere you look (at yourself),
It's gone.
A morning's journey has spent you
And the evening sees no change
In your hand.

So begin again.

Pick up a candle and follow along;
Don't repeat yourself or repent another,
Night's tumble won't last for long.

We'll sing Up the Down Hilltop,
Your joy is my treat.
Some say there is no better way
To taste the bitter and the sweet.

And before we're done (in)
By dawn's early light,
We'll coin a new pastime
Called Seizing the Night!

Listen!

At your graduation exercises, the commencement speaker will say something to the effect that “the future of this nation is in your hands” or “you are being given a great challenge”.

They always say things like that at graduation exercises. It seems to be the thing to do.

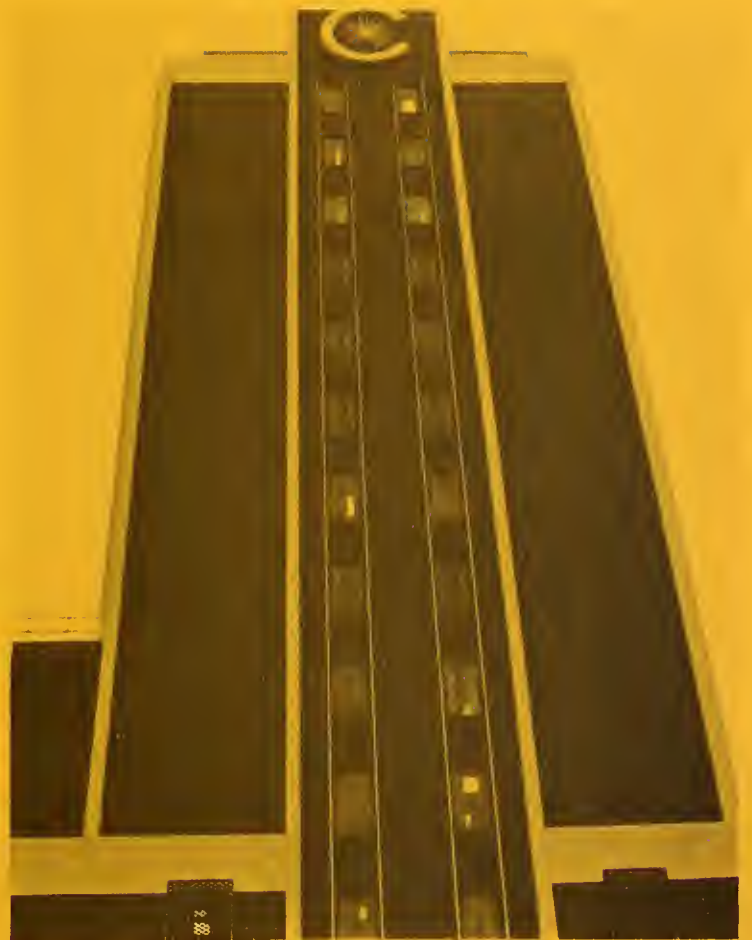

They’ve said it so much that most folks expect it and don’t even hear it.

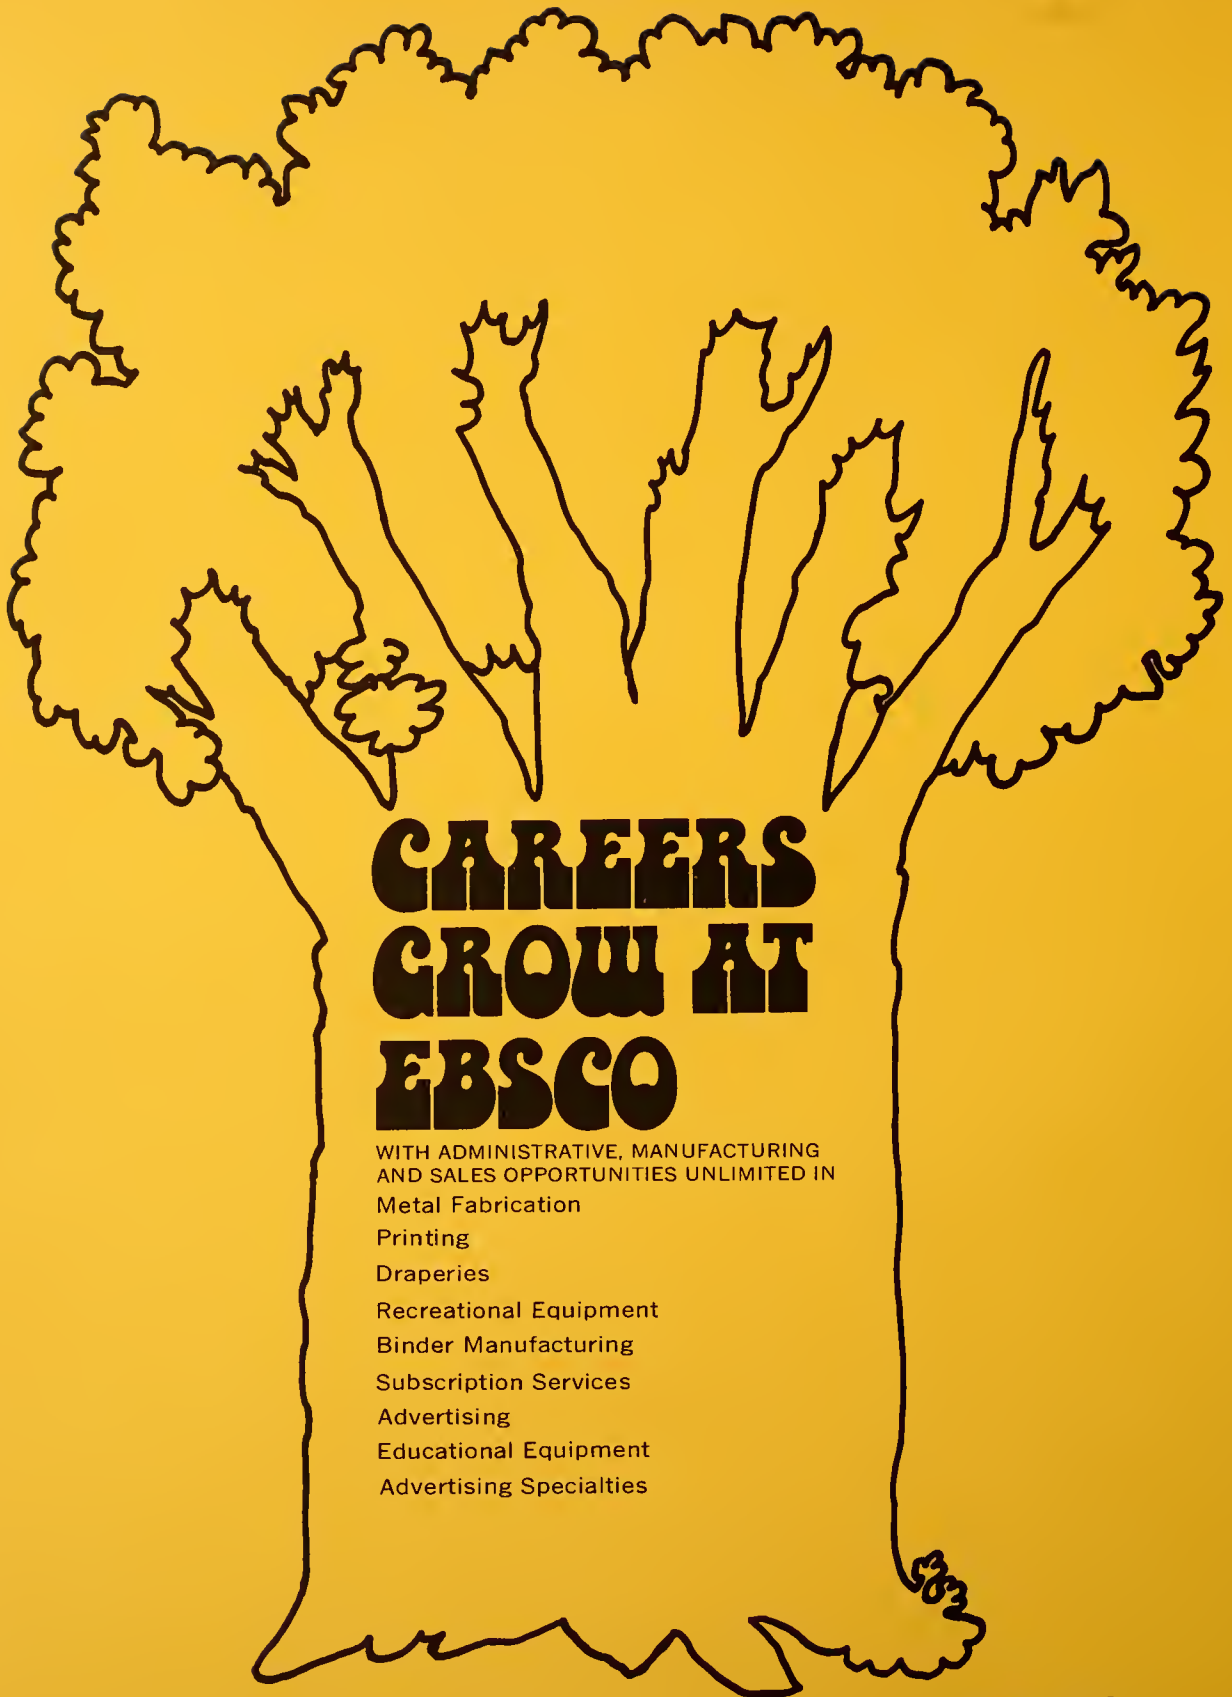

That’s bad . . . because it’s true.

The future is in your hands . . . whether you hear it or not . . . and whether you like it or not.

Do something about it . . . Listen.

Student-Administration forum

January 28, 1975

Golly gee whiz! What can I say? This was the most time-consuming, exhausting, and gratifying project imaginable. We've tried to put together a professional annual for you, rank amateurs that we are. There are omissions and outright gaps, caused by an early completion deadline and the inability of me and my helpers to be everywhere all the time. Speaking of my helpers, I don't want to forget Terrell Finney, Steve Meigs, and David Crowder. I must extend a very special thank-you to Ray Martin and Charles Franklin III, without whose help this annual and my role in it would have been nonexistent. Lastly, there is the one person, my wonderful editor Sally, for whom no words can express my gratitude. Suffice it to say that without her I would have given up very early. Hope you enjoy the "scrapbook."

Allen Sumner

Annual Photographer

In any undertaking as large as the creation of a yearbook there are many people who deserve a special thank-you. I would like to use this space to express my gratitude to those people who helped produce the *1975 Southern Accent*. I would like to express my appreciation for the cooperation on the part of the students, faculty, and administration. A big thank you goes to the *Southern Accent* staff, and to all of the contributing photographers. I would also like to thank Janet Pullen for helping label the underclassmen pictures, and to Janice West for always being there when I needed her—with encouragement and advice. Special thanks go to Ray Martin, our yearbook advisor, who was always ready to help. And there is one person without whom the *1975 Southern Accent* could not have been produced. Allen Sumner, the yearbook photographer, spent an incredible amount of time taking pictures, developing film, and printing the vast majority of the pictures that appear in this book. To Allen and all of the others . . .

Thank You!
